Dear Parents and Carers

Parent survey: please take a moment to share your views with your child's school.

Every two years, Coastal Learning Partnership (CLP) runs a parent survey. This is so that every parent has a chance to share their views about their child's school. It provides each school with really useful information to help them keep improving. It also allows CLP to think about any 'themes' which can be seen across the family of schools.

We would be grateful if every parent could complete the online survey for their child's school – just click the link [here](#) or scan the QR code below.

The survey is not very long and each question can be answered by a single click (with an option to respond more fully if you wish). Parents can respond anonymously if they would like. We value the openness which comes with named responses as schools can then respond to specific queries. To encourage as many parents as possible to respond, we will put all named responses into a draw and send a £30 Amazon gift voucher to four lucky winners! We will also give the class with the most named responses an extra playtime!

When a school is inspected, parents can complete a survey for Ofsted. However, those responses are not then shared with the school – so we ask that you still complete this survey even if you have done so for Ofsted.

Please take a moment to help your child's school keep improving. Just click this [link](#) or scan the QR code below.

With many thanks for your support.

A handwritten signature in black ink that reads "Paul Howieson". The signature is written in a cursive style and is enclosed within a thin black rectangular border.

Paul Howieson
CEO, Coastal Learning Partnership
