

Hey everyone!

My name is Rachel, and I will be starting an after-school dance and singing club at your school. There will be **no charge** to attend this club!!!!

We will learn some street dance moves and learn some songs. We will be working towards putting on a show at Christmas time for the school and friends, and families to come along and watch.

I am a fully qualified musical theatre dance teacher with all the relevant Enhanced DBS, Safeguarding and First Aid qualifications.

I am offering this to those in **Year Two and above**, for now. Class will start at the end of the school day and run for **1 hour and 15 minutes**.

If you would like to book a space for your child/children to attend, please sign and complete the information below.

Photo Consent: WiggleGig would like to capture media of the fun sessions. If you agree to this (for use by WiggleGig or Heathlands School only to promote the sessions), please indicate your consent. Please sign below and return it to the office or bring it to the first session.

I give consent for WiggleGig to capture photo and video media during the WiggleGig session:
