07 January 2026

Dear Parents/Guardians of Year four,

On Wednesday 14th January, your child and their class will be given an amazing opportunity to participate in Bournemouth University's Striking Vikings workshop, a **free** 2-hour interactive workshop run at school. The workshop is an engaging exploration of Viking culture and archaeology. It focuses on who the Vikings were, where they travelled, and what they believed. The aim is to introduce young people to careers in archaeology, history, and anthropology.

As part of this free activity, Bournemouth University is asking you to fill out the data collection form attached to this letter. The data is collected to be able to track the educational journey of the young people that Bournemouth University work with. We would be grateful if you could complete the form and return it to school by Wednesday 14th January.

The HEAT Information Notice attached provides a full data privacy statement explaining what data is collected, why, and what it will be used for.

We are very much looking forward to finding out all about the Vikings!

Kind regards,

Mr. Blackhurst
