Dear Prospective Parents and Carers

September 2026 admission to schools within Coastal Learning Partnership

I am delighted that you have been offered a place for your child at a school within Coastal Learning Partnership (CLP). CLP is a family of twenty primary, junior and infant schools across Bournemouth, Poole and Dorset. Through our collaborative work, our schools flourish and grow together for the benefit of the 5,500 pupils in our care. We seek to ensure that every child enjoys a rich, vibrant and positive educational experience. Within Coastal Learning Partnership, we aim to serve one another and our communities, inspire each other and our pupils and empower the children in our care for their future lives. If you would like to learn more about CLP, you can access the CLP website [here](http://www.coastalpartnership.co.uk) (www.coastalpartnership.co.uk).

Your next step is to follow the Local Authority's instruction for accepting the offer of your child's place - details of how to do this are in your offer letter. You must accept the offer by the deadline given in your offer letter, which is usually two weeks (1st May 2026).

Your child's new school will keep in touch with you as arrangements towards September start to come together. All new parents can be reassured that our schools are working hard to ensure a positive and warm start for your child. In the meantime, I hope that you and your child begin to feel some excitement as the next stage in their education approaches. I have no doubt that your child will flourish within a CLP school.
