9 July 2026

Dear Parent/Carer

Re: Bournemouth University Trip : Friday 17th July 2026

We are delighted to say that on Friday 17th July 2026 the children in Year 6 will be going to the Bournemouth University to take part in a hands-on workshop designed to inspire the children about choices for their futures and the steps they would need to accomplish for their goals before transitioning to secondary school. This is an amazing opportunity for the children to take a tour of Talbot Campus and learn more about higher education along the way.

This trip will take place during school time with the children returning by the end of the school day. The trip is a full day event, so the children will be having lunch off-site at Bournemouth University. For those children who already have a school meal ordered, a packed lunch will be provided for them. For those children who usually bring a packed lunch to school, they should do so as usual. As per the usual school lunch rules, foods that contain nuts and sweets are not to be included. The children will not be taking bags, phones or money on the trip, and the adults will take responsibility for transporting their lunch boxes.

As Heathlands has been selected as a school to work with the university to raise the aspirations of our children, this school trip is being funded by the university. This means there is no financial cost for the trip.

The children will be representing our school whilst they are on campus therefore, they must come to school dressed in their full school uniform.

Yours sincerely,
Mrs L Lidiard
Year 6 Class Teacher
