

Dear Parents and Carers,

I am writing to let you know that, unfortunately, I will no longer be offering the after-school Dance and Singing Clubs.

This has been a very difficult decision for me, and one that I have not made lightly. Due to a number of personal circumstances, including my husband requiring more support from me because of his ongoing health issues, and my sister recently being diagnosed with cancer, I simply will not have the time available to continue running the clubs.

I have absolutely loved teaching your children and have been incredibly proud to see their confidence, enthusiasm and skills grow. It has been a real pleasure to spend time with them each week, and I am very grateful for the support and encouragement you have all given me.

I hope you will understand that, at this time, my family needs to come first, and I need to be able to give them the time and support they require.

Thank you once again for your understanding, support and for allowing me to be part of your children's dance and singing journey. I will genuinely miss seeing them each week.

With very best wishes,

*Rachel*
