Dear Parents/Carer

Universal Free School Meal Scheme

As you are aware, children in Year 2 receive Universal Free School Meals, which is government funded for Reception up to Year 2. As your child will be going into Year 3 next academic year, they will no longer be eligible for a Universal Free School Meal.

Children that are entitled to a Free School Meals (parent meets one of the qualifying benefits) and have made the school aware of this entitlement, will still be able to have a free lunch. Please make sure you let the office staff know if you are entitled and provide the correct paperwork for this. Please then order in advance through the Chartwells website before the end of term if this is the case.

If your child is not eligible for Free School Meals and you wish for your child to continue with school lunches next academic year you will need to order and pay in advance through Chartwells website. In order for meals to be in place before the start of term you must order before the end of term.

If you no longer want your child to have school lunches please provide them with a packed lunch each day.

Yours sincerely

Janine Harries
