Maths Mates Celebration Event

Dear Parent/Carer

Firstly, we would like to congratulate all the year 2 children who have worked hard as part of the Bournemouth University Maths Mates intervention. This intervention has now ended successfully, and in order to celebrate the event, our pupils (along with pupils from other local schools who also completed the programme) have been invited to a celebration event at the university on **Wednesday 21st May**.

This event will take place during school time. The pupils will leave school around 9:30am and return to school at 14:30pm in time for their usual school finish. They will travel by minibus. Bournemouth University will be providing food for the children at lunch time. We have already indicated dietary requirements to the university based on our records, but if these have changed for your child please indicate this on the consent form below.

Please ensure your child is wearing their full school uniform and has a water bottle on this day.

Please complete and return the consent form to the school office by Friday 16th May.

Yours sincerely

Mr Golding
Deputy Headteacher
